Don't delay. Call Today

Book your date and let us do the rest.

Due to legal reasons you will have to book and confirm a date with the Registrar Office in person.

**If you would like a more fluent occasion try our
American style late afternoon wedding.**

American weddings have a later ceremony with a more informal feel. and all the guests are invited to the whole event.

After the ceremony during the photo we will serve afternoon tea, after which the couple will have a little time to relax in each others company, while guests are seated.

At approx 6pm the couple will make their entrance and proceed to cut the cake followed by speeches. (this allows the groom chance to relax and enjoy his meal) The Staff will then serve dinner. After coffee the couple will commence the evening's entertainment with the first dance
